

WHERE LUXURY MEETS NATURE

VISION ROOTED IN NATURE

At Neralu, our vision is to reconnect people with nature in its purest form. We have crafted a serene environment where the natural world thrives, offering you a space to unwind, breathe, and grow. This project is built on the belief that harmony with nature leads to a more fulfilling life.

We invite you to experience a lifestyle where sustainability meets tranquility, where every plot is a step closer to a peaceful and balanced way of living. This is more than just land—it's your sanctuary.

Let's nurture this dream together.

ABOUT US

At Neralu, we redefine sustainable living with 40+ successful projects across residential, commercial, and mixed-use sectors. Guided by trust, innovation, and excellence, each development is designed to blend modern comforts with the beauty of nature, offering more than just spaces—we create vibrant environments for a balanced lifestyle.

Spread across 36 acres of lush greenery, Neralu features 146 thoughtfully planned plots surrounded by fruit-bearing trees and sustainable landscapes. A tranquil stream winds through the property, complemented by a nearby dam, creating a peaceful setting perfect for weekend getaways, wellness retreats, or building your dream home. Every plot is designed to provide privacy and serenity while maintaining a strong connection to nature.

With modern amenities, scenic surroundings, and a focus on eco-friendly living, Neralu offers a unique opportunity to invest in a lifestyle where nature and contemporary living coexist. Own a slice of paradise where you can grow alongside nature.

OUR COMMITMENT GREEN EARTH

25,000 TREES

Neralu boasts over 25,000 trees, forming a lush canopy that turns the landscape into a serene, nature-rich sanctuary. These trees create a refreshing environment that is not only beautiful but also sustainable, fostering a peaceful atmosphere for residents.

4,000 PLANTS

Complementing this greenery are over 4,000 plants, bringing vibrant colors and life to the entire project. These plants enhance the aesthetics while supporting the ecological balance, making every walk through SN Terrarium a delightful experience.

700 ROYAL PALM TREES

Lining the roads are 700 majestic Royal Palm trees, adding a luxurious touch to the space. Their grandeur offers shade and a resort-like feel, blending elegance and nature seamlessly.

NERALU BOASTS OVER 25,000 TREES, FORMING
A LUSH CANOPY THAT TURNS THE LANDSCAPE
INTO A SERENE, NATURE-RICH SANCTUARY.

THESE TREES CREATE A REFRESHING
ENVIRONMENT THAT IS NOT ONLY BEAUTIFUL
BUT ALSO SUSTAINABLE, FOSTERING A PEACEFUL
ATMOSPHERE FOR RESIDENTS.
